

## Charta

### Preamble

The European Gym Festivals Council (EGF-C) is an organization bringing together the Gym Festival Organisations from across Europe, considering the importance of gymnastics diversity as a guarantee of sustainable intercultural development and supporting the establishment of European Gym Festivals.

To coordinate and to open the European Gym Festivals program EGF promotes the international calendar and the international particularities of the events as well the friendship between the countries. EGF will be supported by the International Sports and Cultural Association (ISCA).

### Objetives

**Aim** The goal of EGF is to promote and to establish an European Calendar of Gym Festivals and to support the development of general gymnastics.

**Purpose** Its primary purpose is to promote the European Gym Festival in the following areas:

- Dates & Scheduling Coordination
- Quality policy for the participants in terms of standards
- Brand & Communication synergies
- Promotional Program & Data Base
- Contacts with European Gym Associations

### Principles

EGF realise its objectives based on the principles of

- the membership as European Gym Festival
- the Gym Festival value
- the neutral investment using the common promotional resources
- the development of the health and physical activity promotion

### Activities

EGF encourage European Gym Festivals activities by organizing:

- Gym Festivals
- International Conferences, Workshops & Exhibitions
- Health & Wellness Programs
