

Do you want to work as a coach
in Sweden's largest and most successful association within
Men's Artistic Gymnastics (MAG)?

- **We need** to reinforce our team of coaches
and therefore we are in the process hiring a coach.
We are aiming at someone that can work 75% of more
and that has the drive and will to develop our gymnasts.

- **Currently**, we have a lot of MAG gymnasts from 7 to 22 years of age.
5 of our gymnasts are in Sweden's National Team,
4 in our Junior National Team as well as
5 gymnasts in our development group.
In addition to our Elite groups, we have beginners from age 7
and other groups in all ages.
- **In order to achieve** an even regrowth with well-trained gymnasts
as well as offering less advanced training to those who want,
we need to strengthen our team of coaches.

The age or level of gymnasts that is relevant all depends on your primary qualifications and experiences. To us, the most important, is that all of our gymnasts are offered high quality training and that we use each and every coaches skills in the best way possible.

With an additional coach in our highly qualified team, we will gain our possibilities to be flexible.

➤ **Qualifications:**

- Experience as a trainer in MAG
- Documented MAG coaching education
- Fluent in Swedish or/and English
- Team player
- The ability to see and help all gymnasts

We require that you can provide references from previous employers/organizations and from equivalent jobs or assignments.

Hammarbygymnasterna offers a secure employment in accordance with our union agreement (Idea/Unionen), contractual agreements and retirement funds.

- Salary by agreement.
- Duration: 1 year contract with the possibility to extend your contract for the right person.
