

The TURNWERKSTATT ZENTRALSCHWEIZ in Malters, Lucerne was opened two years ago and is one of the newest and modernest training infrastructures in Switzerland. Besides several gymnastics activities our training hall is a performance center called RLZ Luzern. The best 40 gymnasts are trained in this performance center.

The gymnastics association Lucerne, Obwalden and Nidwalden operates this center.

For our **top-sport division** we are searching a
