

## **GK Motus-Salto is seeking a coach in Women's Artistic Gymnastics**

GK Motus-Salto is a successful gymnastics club within Women's and Men's AG. With over 100 gymnasts in WAG, the club's ambitions for successful participation in national and international competitions are high.

The club is seeking a coach to join our team of coaches in their work to further develop and manage our WAG division. We need you to have a high level of ambition, although the position itself can be adapted based on your current skills and experience. You will be training gymnasts who are currently on junior national team level as well as levels just below.

Responsibilities:

- Create short and long term plans for training and competitions
- Plan and execute training sessions with great commitment
- Manage the continued development of the division in close cooperation with your colleagues
- Assisting in adding to your colleagues' skills and the development thereof, through active support in the day to day work, as well as planned educational sessions.

To master this role we require that you:

- Have a high level of competence in Women's AG as well as a willingness to further develop yourself
- Have the ability to coach the gymnasts based on their individual needs
- Be able to communicate with gymnasts and their parents as well as your fellow coaching colleagues with ease
- Be flexible with regards to working hours, as the training sessions are in the mornings, afternoons, evenings and weekends
- Speak and write Swedish or English well

We ask that you apply no later than 30<sup>th</sup> June, however as we will be conducting interviews continuously we urge you to apply as soon as possible. Please send your application to [pelle.malmborg@motussalto.com](mailto:pelle.malmborg@motussalto.com)
