

## AVAILABLE POSITION AS WAG COACH IN BERGEN - NORWAY

Fana IL and Laksevåg T&IL are clubs with long traditions in various types of gymnastics. The clubs are located in beautiful Bergen, situated on the west coast and the second largest city of Norway, with about 280 000 inhabitants.

In artistic gymnastics the clubs are cooperating in the gym "Turnkassen", where they have a group of 40 female gymnasts aged 6 to 19 years working together and sharing coaches. The gymnasts are of different levels ranging from national to international. Four senior gymnasts are National Team members. The clubs aim to be on top in Norway at all levels, and to develop gymnasts to a high international level.

The WAG group is lead by head coach Anatol Ashurkov. In addition we have both male and female coaches. We now want to strengthen our team with a coach with main focus on beam, floor and artistry.

The new coach must be prepared to coach gymnasts of all ages and levels. Work hours will be mainly afternoons/evenings, in addition to weekends in connection with competitions. Payment will be dependent of qualifications and experience.

We are looking for an ambitious, enthusiastic and positive person who will build good relationships with the other coaches, gymnasts and parents.

Start-up date: September 1<sup>st</sup> 2019

Qualifications:

- Applicants should have gymnastics background and/or experience from international gymnastics (FIG)
- Experience from coaching at national or international level
- Physical education
- Good spotting skills
- Well-developed educational and team work skills
- Good knowledge of Norwegian or English, or another Scandinavian language
