Landesturnfest 2012

**Together, unique,
traditional and future-oriented**

The Landesturnfest 2012 continues Heilbronn's long gymnastics tradition. Already in 1846, 35 gymnastics communities from 32 towns met to celebrate the second Landesturnfest in the town on the Neckar River. This marked the beginning of Heilbronn's reputation as a gymnastics city.

Gymnastics and the gymnastics movement run like a golden thread through the history of Heilbronn. In 2012, thousands of gymnasts will visit the so-called "Käthchenstadt" again, which will make Heilbronn the Turnfest record holder.

LANDESTURNFEST

HEILBRONN MAY 17th - 20th 2012

In addition, the Landesturnfest will also celebrate two very special anniversaries: In 2012, the Turngau Heilbronn celebrates its 150th and the state of Baden-Wuerttemberg its 60th anniversary.

Two more occasions to celebrate together, recall accomplishments, and embrace the future. With its manifold offers, competitions, and lectures, the Landesturnfest has come to be the biggest mass sports event in Baden-Wuerttemberg. It is a venue for exchanging ideas and initiating impulses. It is a think-tank aiming at successfully shaping the future of club and associational life.

Heilbronn - a multi-faceted city

- the home of tradition and savoir vivre.

Heilbronn is a combination of Swabian assiduity and Franconian savoir vivre with cosmopolitan, liberal and tolerant people who are conscious of tradition but also open-minded towards the future.

Stadt Heilbronn

nested in hills and valleys, extensive vineyards as well as historical locations with picturesque views and architecture.

Heilbronn itself is a city on the river. The Neckar River is the lifeline of the city and has shaped the people over time. "Live and let live" is our motto. As early as the Middle Ages, trade and prosperity developed here in the free imperial city. Later, Heilbronn led the way in the industrial revolution in Germany. Today, this city at the geographical center of Europe is a sought-after location for innovative enterprises.

All in all, Heilbronn is always in action and offers endless possibilities for you to experience your own serendipities.

Heilbronn is embedded in countryside and united with nature, culture and history: the Heilbronn country. It is

Be there together

We offer various possibilities for all Turnfest participants to take part in the Landesturnfest actively and as part of a group.

SHOWS

"Watching and learning" is our motto. So get impulses for trying out new things or simply enjoy the show. Groups from clubs, districts, schools, and colleges show a cross section of their work. There is no limit to the originality and creativity of these show acts. Performances from the areas of artistic gymnastics, acrobatics, gymnastics, dance, folklore, aerobics, fitness, and trend sports will thrill audiences at show stages in the inner city and along the Neckar.

TURNFEST-SPEZIAL

In one of the largest and most beautiful places in the city, Turnfest participants can either start their days in an active and healthy way in the open air, or enjoy the pleasure of movement with like-minded people in the afternoon. Twice a day, well-known local presenters offer hands-on experience in up-to-date trends from the areas of fitness, gymnastics, and health. Up to 1,000 Turnfest participants can participate in a great common experience.

There is also a special offer for all participants who would like to explore their own paths for a while.

Away from the Turnfest Mile and especially for groups, the Turnfest offers activities between vineyards and the Neckar River. These include hiking with walking sticks or such and led by GPS, or just taking a leisurely stroll to look at Heilbronn from the distance.

VTW (VEREINSTEAMWETTKAMPF / CLUB TEAM CONTEST)

The VTW is a competition in four sports areas that attracts the whole club. The teams select four disciplines from at least two different areas.

The bigger the group the better.

Sports offers

- 1) Gymnastics
- 2) Group presentation
- 3) Fitness and trend
- 4) Games

DBW (DER BESONDERE WETTBEWERB/ SPECIAL COMPETITION)

A team consists of 6 to 10 persons that have to paddle an inflatable, swim, and run. The competition is open-class, i.e. the team can consist of any ratio of female and male participants.

We further offer an extensive competition program.

Experience together

TURNFEST OPENING

The Landesturnfest is opened right in the heart of the city on Thursday evening.

The opening ceremony starts at 20:00 h with a colorful and entertaining program. The opening party on the Turnfest Mile begins right after the official program.

TURN- UND SPORTSCHAU

Traditionally, the Turn- und Sportschau demonstrates the versatility of gymnastics and sports with highly entertaining presentations. Top sports acts featuring regional, national and international athletes are shown.

60 JAHRE BADEN-WÜRTTEMBERG GALA

In 2012, the state of Baden-Wuerttemberg celebrates its 60th anniversary.

On this occasion, the state presents itself as a fit-for-the-future location and lovable homeland with a high quality of living. STB and BTB with their many active gymnastics clubs are an important part thereof. The Landesturnfest with its 60 Jahre Baden-Wuerttemberg Gala is part of the state anniversary celebrations.

PARADE ON THE WATER

The final event of the Landesturnfest is a very special kind of parade. If you want to join in you have to go out on the Neckar River. Floating pontoons are attractively decorated. You can also join with your own watercraft. However, if you want to stay dry you can celebrate right on the shores of the Neckar.

There are many more additional events. For further information see www.landesturnfest.org

Celebrating together

CITY FESTIVAL WITH LIVE MUSIC

All athletes are celebrating together. Enjoy the pleasant atmosphere of the Turnfest Mile directly along the Neckar every night. A wide variety of events with live bands and DJs in cooperation with our media partner station SWR 1 invites you to watch and dance.
