

"In everything we do, we promote social, health and inspire joy and fun through gymnastics, exercise, and experiences."

With this value proposition, the Zurich Gymnastics Federation promotes club and elite sports. With a quarter of all national squad athletes, the ZTV, together with its affiliated clubs, is the largest promoter in junior competitive sports.

We are looking immediately or by agreement for a committed and responsible personality as a

Coach Rhythmic Gymnastics (80 - 100%)

As part of the coaching team, you will take responsibility for the targeted support and optimal development of our female athletes.

Your main tasks:

- Basic technical training of athletes between the ages of 6 - 16 years, as well as their development at the elite level
- Organization and coordination of training operations in cooperation with the head coach
- Development of individual training plans of the assigned athletes
- Preparation and supervision of the athletes for national competitions, as well as for the qualification into the Swiss squads and international competitions.
- Participation in ZTV and STV conferences and training courses
- Helping to lead cantonal training courses for club leaders

Your profile:

- Education as a coach for competitive gymnastics SOA with federal certificate or equivalent foreign training (pedagogical and technical training).
- Very good knowledge of the requirements in rhythmic gymnastics and experience in training young female athletes up to the elite level
- Good knowledge of German is an advantage (oral and written)
- Willingness to work evenings and weekends

Your advantages:

- Successful training center in Switzerland
- Performance-oriented and structured environment with a high level of professionalism
- Progressive and safe working conditions
- Training and further education opportunities

For this versatile and interesting job, a collegial, motivated, performance-oriented and professionally highly qualified team awaits you at your workplace in Uster (ZH).

You are committed to a good and healthy training culture and are convinced that an individual and holistic development of the athletes is the basis for athletic success? Then we look forward to receiving your written application by e-mail to admin-spitzensport@ztv.ch
